### Arrival by tramway

Take tramway no. 4/6/13 and alight at the stop "*Sihlquai / HB*". The coach parking is located across the street.

### Arrival by train

Take a train to Zürich main train station (HB). The departure place is located on the backside of the train station, about 5 – 10 minutes walking distance away. Please direct yourself to track no. 18. This is the last track on the street level. Walk along the track with the tracks to your left and the street to your right until the street turns to the right – follow the street to the right and you will see a restaurant called "St. Gallerhof", then Hotel Walhalla and a Starbucks coffee shop. The bus parking is located across the street.

### Arrival by car

There are several car parks around Sihlquai Coach Parking. Please be aware that they are very expensive and we therefore recommend to arrive by public transport. If you still prefer to arrive by car, we recommend the following car park, which is very close and open 24 hours: *Parkhaus Hauptbahnhof (Sihlquai 41, 8005 Zürich).* Cross the coach parking towards the main train station, as the ticket office for check-in is located on the other end of the bus parking.
