## How to use Audio Guide

• Enter the number of the tourist attraction point you wish to visit (see the MAP) on your Audio Guide device.

e.g.) When you want to listen to information for  $11 \Rightarrow$ Enter 1 and 1

- With consideration for other tourists, the volume of the device is set low. Hold it close to your ears when using.
- Be careful when using the device in the rainy weather. It is water resistant, however, be sure you do not drop the Audio Guide device in the water.
