### CREDITS

*Dark Universe* was created by the American Museum of Natural History, the Frederick Phineas and Sandra Priest Rose Center for Earth and Space, and the Hayden Planetarium.

The Museum also gratefully acknowledges major funding from the Charles Hayden Foundation.

Presented with special thanks to NASA and the National Science Foundation.

*Dark Universe* was developed by the American Museum of Natural History, New York ([www.amnh.org](http://www.amnh.org)), in collaboration with the California Academy of Sciences, San Francisco, and GOTO INC, Tokyo, Japan.

The Museum gratefully acknowledges Allison and Roberto Mignone for their leadership support of the redesigned Halls of Gems and Minerals.

Generous support has been provided by the Arthur Ross Foundation.

The Museum gratefully recognizes the Eugene V. and Clare E. Thaw Charitable Trust and Lewis Bernard, whose leadership support has made the restoration of the Northwest Coast Hall possible.

The Andrew W. Mellon Foundation has provided critical planning support, including for consultation with First Nations communities.

The conservation of painted totem poles has been made possible by the Institute of Museum and Library Services under grant number MA-30-17-0260-17.

Additional support has been provided by the Gilbert & Ildiko Butler Family Foundation, and the Stockman Family Foundation Trust.
